

I would like to voice my objection to the action that is being considered to weaken our states DO NOT CALL law. It is my understanding that the banking industry is trying to be allowed to call me even if I do not want them calling me by getting a exception to the current law. I do not want anyone calling me to sell me something, banking or otherwise. The state of Wisconsin has a Great No Call Law, Leave It Alone. I pay a lot of money to have a phone in my home, for my use, not for telemarketers use. It is soooo nice to not have those inconsiderate businesses calling anymore. Please allow me to make my own decision about who I want to have call me. Do not allow our DO NOT CALL law to be changed. Thank you
